

## PARENTAL ESCORT POLICY

*Village Pointe strives to provide a safe and pleasant environment for ALL visitors.*

- With the ultimate goal to ensure the safety and security of our younger patrons, all children and teens under 17 years of age MUST be accompanied by a parent or legal guardian (25 or older) after 9pm. Any unaccompanied child or teenager under the age of 17 will be asked to contact a parent to pick them up near the fireplace in front of the Village Pointe Cinema.
- Parents should plan transportation arrangements so that any child or teen (under 17) can be picked up before and no later than 9pm. A valid state or school-issued identification card may be required to verify age.
